

Congratulations on the Purchase of Your Earthwise Gator Grabber

Made in China

The Earthwise Gator Grabber is the ultimate multi-purpose clean up tool for your lawn and garden.

Adjust the telescoping handles for the most comfortable handle length for any user.

Lightly squeeze the handle to grab any debris in your yard - leaves, pine cones, nuts, and other yard waste.

Open the Gator Grabber jaws gently and dispose of debris into a container or wheel barrow.

The Earthwise Gator Grabber helps prevent back strain and discomfort by reducing the need to bend over to pick up yard waste.

Comfortable grips and sturdy poly-fiber jaws are easy to clean with a quick rinse.

Powder-coated steel shaft resists rust.
